

BULOVA[®]

Spring 1989 Supplement

For generations Bulova has always been the forerunner of setting standards in quality and superior craftsmanship. We continue our commitment to these standards today with the unparalleled accuracy of quartz technology and the most up to date fashion styling that the buying public demands.

Throughout these pages you will find our latest fashion styles that complement both day and evening wear with exciting features that are appropriate for business and leisure.

And best of all, for him or for her, the watch to own is a Bulova. A statement of quality, beauty and superior craftsmanship that is correct for every lifestyle and gift occasion.

Every minute of every day is special to someone. Bulova has been measuring the minutes of our lives, large and small, for over 100 years.
